President's Message

I had the privilege to attend the November meeting of the Carolinas Chapter in Charlotte, North Carolina. We had a nice lunch and five hour meeting. I would like to thank them for their hospitality and look forward to visiting them again.

I would like to announce the two newest chapters of The Falcon Club of America, The Cornhusker Chapter from Nebraska and The Bon Temps Chapter from Louisiana. I would like to welcome them and look forward to meeting them in the future.

As you know this is the last issue for our editors Kathy and Bill Woodell. They have done a tremendous job. I would like to thank both of them for their hard work and long hours they have put into The Falcon News.

I would like to wish everyone a very happy holiday season.

Gary Goddard, President FCA

Editor's Message

Here we are at the close of our time to be your editor. Words cannot express our gratitude to you faithful members who responded to our request for material and helped make our job easier.

Any material we had left over that we were unable to get in present and past issues is being forwarded to Bronson for his use. Be sure and continue to encourage him as you did us. He needs your support and has some good ideas for improving the newsletter in months to come.

We had the pleasure of visiting with Bronson and Mary on November 20th here in Searcy and look forward to seeing the club grow through their efforts with the newsletter.

Many of you have come to be our friends through the mail and we have met lots of you at meets. Best wishes to all for a happy holiday season.

Bill & Kathy Woodell, Editors

Meet Reports

The proposed new Cornhusker's Chapter met on October 22nd at Bonanza in Lincoln, NE. There were 13 people present. The next meeting is scheduled for Nov. 19th, same time and location.

The Founder's Chapter met at Bill and Kathy Woodell's in Searcy, AR on Saturday, Nov. 11 for a potluck meal. We had 5 guests who also are Falcon owners, so a good time was had by all discussing Falcons and enjoying the good food. Our next meeting will be our Christmas Party to be held at Po Folks Restaurant in North Little Rock on Saturday, December 9th at 4:00 p.m. Bring a wrapped Christmas ornament (\$3.00) to exchange.

The Mason-Dixon Chapter met on October 15th at the Sandy Point State Park near Annapolis, MD for our annual potluck picnic. We had a total of 15 Falcons which, along with a few family sedans, brought 47 members and their guests for another great day. During the afternoon we held our annual elections with the following results: William Anensen, Secretary; Nelson Stickle, Vice President; Selma Irwin, Treasurer; Phil Barber, President. During our business meeting we decided to get chapter T-shirts. They will be light blue with a 10 inch representation of our logo in dark blue on the front. Several members are negotiating the best deal. We also discussed next year's schedule - the first event being our annual dinner on the 2nd Saturday night in February (more details later) so mark your calendars. We then held a 50/50 raffle that Hester White won. Immediately after that we had an auction of donated and consigned Falcon parts. Several white elephants were also sold. The proceeds went to Mrs. Nancy Furman and the treasury. She had sent the majority of the parts to be auctioned. Amongst all the activity we somehow managed to eat a lot of good food and talked a lot of Falcon stuff. Thanks everyone for your attendance and the good food.

The Southeast Chapter met at the home of Ricky and Mildred Kerbow on Sunday, Nov. 5, 1989, with 15 members present. The main topic was the discussion of the 2nd annual All Ford-Mercury show coming up next spring. Also, plans were made for the Christmas Party to be held on Dec. 16, 1989, at the DeKalb County Sheriff's Posse club house and we encourage all members to attend.

On Oct. 14 & 15, 1989, we participated in the Atlanta International Raceway. On the 14th, Don Anderson with his 1967 Sports Coupe won Best Ford, and Perry Goss with his 1964 Sprint won 1st Place Falcon Class. On the 15th, Don Anderson won 1st Place for his 1967 Sports Coupe; Ricky Kerbow won 2nd Place with his 1964 Futura Hardtop; Joe Peppers won 3rd Place with his 1965 Sedan Delivery; and Alvin Roberson won 1st place, Open Class, with his 1965 Futura Convertible. On Oct. 28, we participated in the 2nd Annual Big Apple Festival in Cornelia, GA. Don Anderson won 1st Place (1967 Sports Coupe); Tommy Webb won 2nd Place (1965 Futura Hardtop); Alvin Roberson and Leon Goddard tied for 3rd Place (1965 Futura Convertible and 1965 Ranchero). At the Dallas, TX Regional on Oct 6 & 7, Joe Peppers won 1st Place (Sedan Delivery), and Don Anderson won 2nd Place in Sedan Class and Best of Show.

Proposed Mason Dixon Regional I

A Regional event to be held on June 29-30 in Annapolis, MD is in the early planning stages. As a few months will be necessary to plan the event, plus the lead time the hotels want for scheduling, require us to get a fairly early estimate of how many would attend. If you are interested (this is not binding yet) please send me a note before the 1st of February.

Presently, our plan is centered on the Annapolis Holiday Inn. On Friday evening we'll have a meeting room for a social gathering to accommodate all those who wish to talk about our Falcons. The show will be on Saturday with the awards banquet that evening. Individuals will be required to make their own room arrangements, however a group of rooms will be available at the reduced corporate rate for our Regional attendees.

Please send your replies with a SASE (prior to Feb. 1st) to Phil Barber, 2574 Riva Rd. 17A Annapolis, MD 21401. Phone calls days: (301) 626-7208; evening: (301) 266-8271.

Top Window Seal Poll Results

1963-1965 Convertible Owners Only

Responses to the poll have reached 175. I will continue to receive requests through the month of December.

The manufacturer has agreed to start limited production of these top seals now that he has called several people responding to the poll, and now that we have at least 150 confirmed responses.

IF ANYONE HAS NOT RESPONDED, PLEASE SEND A POSTCARD WITH NAME, ADDRESS AND TELEPHONE NUMBER TO MY ADDRESS BELOW.

I must remind everyone that I cannot respond to your many questions regarding these seals. Please read the following.

The seals are N.O.S. quality pressure molded seals produced in a compression mold. Each seal has a built in steel insert. There are seven separate pieces, each one different. The seventh seal is an extrusion to seal the top to the windshield. Anyone responding to the poll will be notified via mail when the seals are ready for shipment.

You will order direct from the manufacturer. The manufacturer is located in Oregon and makes extremely high quality parts most of which are for Mustangs. The seals will be available later to Falcon Parts Vendors. The first production run will be for Falcon Club poll respondents only. Delivery of the first seals will be in December. The cost is about \$200.00

One of many possible paint sources(submitted by an advisor Mid-County Mustang,Rt#100,Box 189,Eagle,PA 19480-\$5.00 per can;ask for Red-Orange or Ford Medium Blue as indicated on the preceding chart.

The below listing which includes some manufacturers and the proper paint codes applicable to Fords so you may purchase paints locally. Of furthur interest- chassis black may be substituted with semi-flat black. Krylon code#1613 works quite well.

<u>Eng. Paint Color</u>	<u>Dupli-Color Code</u>	<u>Martin Seynour Code</u>
Red-Orange	DE-1605	7892
Blue	DE-1606	7958
Gold	DE-1604	----
Black	DE-1613	7882

Many underhood accessories are often times painted with a gloss black instead of what is understood to be correct- a chassis or semi-gloss black. It is difficult to tell if the present color is original, a replacement part, or a paint job done by a previous owner. I suppose you'd have to actually witness the assembly of your car to know for sure what the original really was! Anyway, it gives us something to debate about. Also, it must not be forgotton that sometimes during model year change-over factories have been known to use pieces left over from the previous model year. There is always exceptions and nothing is Gospel in this hobby. The information presented here should be correct 99% of the time.

Many thanks go out to all the Falcon Club advisors for their help in assembling this paint guide. Without their help it would not have been possible. Sources of data included pictures from original Sales Brochures, factory information letters, and last but not least- information provided by original owners of various years and models.
